

ASSEMBLY GUIDE

To assemble your plastic miniatures, carefully remove the pieces from the sprue frames using a plastic clipper. Be sure to make note of the part numbers on the sprue as you remove each part - these are referenced in the guide below. We recommend using a plastic cement to glue these pieces together.

GATES OF VALHALLA

CLIPPERS

PLASTIC CEMENT

JARL

30mm Base

RAIDER

30mm Base

HUSCARL

30mm Base

BERSERKER

30mm Base
